Extra Virgin Olive Oil DOP Umbria from Tenuta di Montecorona

The Nature of Consistency: Second Place at the DOP Umbria Regional Competition

Quality is not legitimised by titles but by continuity. For the third year in succession the DOP Umbria Colli di Trasimeno Extra Virgin Olive Oil from Saiagricola appeared on the podium at the regional competition coming second out of the qualifying area.

The presentation took place at The Abbey of San Pietro Ferentillo (TR) on Saturday March 13th in merit of the DOP Umbria Extra Virgin Olive Oil from Tenuta di Montecorona. This recognition tends to corroborate the choice we made and which we continue to believe in: to follow the path of quality led by the rules and rhythms of Nature.

And as we know the Nature of Consistency is not to change!

Our olive oil can be tasted at Vinitaly in our stand (Pavilion 8 C10) or at the Citadel of Gastronomy (Area H number 4)
